The Garden of Small Beginnings Excerpt: Read free excerpt ...

"Lilian Girvan, the central character of The Garden of Small Beginnings, is an illustrator, a mother, a sister, a budding gardener, and a widow, and her perspective on how she's doing with each role doesn't always match up with what readers can see around her. But that trait makes her a more interesting and realistic protagonist, and along with the book's humor and eccentric supporting cast made it a great read."—BookRiot

The Garden of Small Beginnings is women's fiction with light romantic elements. It's a poignant look at a young widow raising her two equally young daughters, but still grappling with "moving on" four years after her husband's death. Although a deep and sad subject matter, the book is infused with humor.

Grief, Gardening, and Great Humor! To be honest, I wasn't quite sure what to expect when I read the synopsis for this book. I've read books that have dealt with the grief process, how to books on gardening, and light, entertaining books full of great wit and snarky dialogue. But the thought of all these things put together in a coherent, entertaining format seemed a little far-fetched.

The Garden of Small Beginnings I have to say how much I loved this book! My husband died unexpectedly over a year ago, and even though our children are raised, I can relate to learning how to function each day without him at my side. We were together for over 40 years, and I have found myself talking, yelling, and crying to his spirit many ...
